Bold italics

Block quote

Nested block quote

1. List element 1
2. Next list element
3. And next
 - Unordered list
 - Next element
 - Nested element
 - Next element
 1. Nested numbered

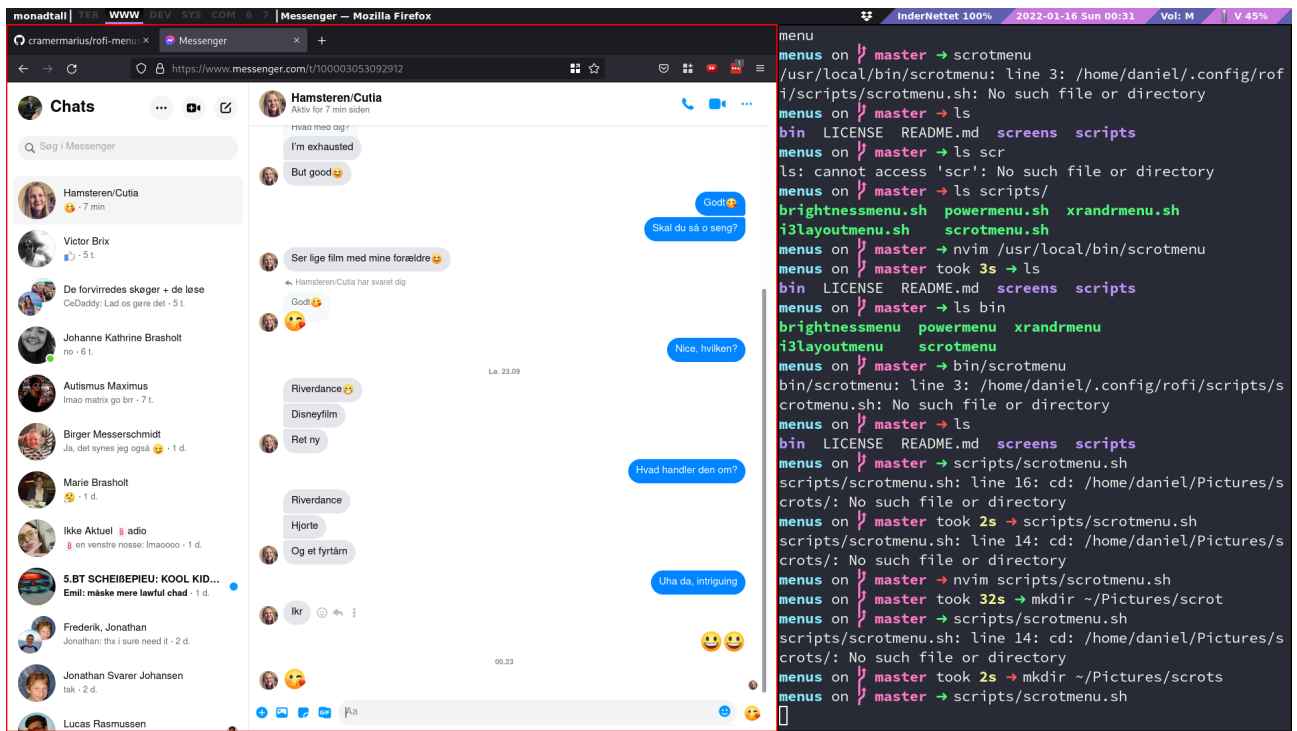

Figure 1: Test image

Possible to create code

```
<html>
  <head>
    <title>Test</title>
  </head>
</html>
```

```
def func():
    print(i)
if __name__ == '__main__':
    func()
```

I have written something again
